

Workshops – Laboratories 2017-2018

November 2017: Ninth “Laboratoire de Traverse” as part of Marine Mane’s *In Vitro* project

Copy, re-copy, do, re-do, vary, multiply, shift: a study of repetition

At the Manège de Reims, in partnership with the Centre national des arts du cirque and the Institut International de la Marionnette in Charleville-Mézières.

Research laboratory in magic

Augmented Magic Company

January to June 2017: Double workshop

Between the 30th CNAC graduating class and the students of the Arts Department at the Université Picardie Jules Verne at the Maison de la Culture d’Amiens (January 2017) then in Châlons-en-Champagne as part of the Furies Festival in June 2017
